# INTRODUCTION

Trabeth Textiles supply many textiles, as well as many other products and services to projects, which including Healthcare facilities, Educational project fit outs, Aged-Care facilities, Hospitality, and Office fit outs.

We also have our own curtain and blind manufacturing facility and can provide a full measure and quote, manufacture, and installation service.

The following pages give an overview of the products we can supply from our reputable overseas sources.

Our suppliers are very well-established companies, renowned for their high standards and suitability for intended purpose.

The following document outlines our key commercial suppliers who we are proud to represent in the Australian market:

## **ENGLISCH DEKOR – AUSTRIA**

Exceptional performance upholstery fabrics with high Martindale ratings

## **INNOVASIA – USA AND S.E ASIA**

Commercial high-performance fabrics, including Crypton, for upholstery, and drapery, and acoustic paneling that can be cut and shaped to order as illustrated.

## **SCOTT FABRICS – USA**

High performance fabrics and Crypton upholsteries, also many vinyl, PU and PVC products for heavy use commercial applications.

At Trabeth Textiles, we have many years of experience in the supply of all types of furnishing fabrics including drapery, upholstery and trimmings to the commercial and domestic market in Australia.

In addition to the suppliers outlined in this document we are also able to supply locally made furniture – chairs, tables, ottomans and sofas, to your own design, to commercial quality standards.

Using our own workroom, we are able to measure, quote, manufacture and install curtains and blinds for commercial and domestic requirements to your specifications.

We look forward to discussing all your commercial products requirements. Samples are available to view at our Prahran showroom or by private appointment.

Kind regards,

John Tulloch and Trabeth Textiles Pty Ltd.  
463 High Street, Prahran

# ENGLISCH DEKOR

## AUSTRIA

Englisch Dekor specialise in FR fabrics. Outlined below are a selection of their ranges. Symbols indicate Stain Resistant, Maritime suitability Flame retardant, upholstery or curtain usage, Anti-bacterial, Acoustic property and Waterproof.

### ‘Antilop’

Flame retardant plain upholstery fabric in suede look with a discreet, yet invigorating wave effect.

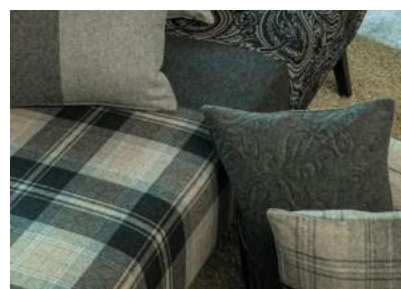

### ‘Diva’ FR

Fire-retardant velour in rich and saturated colours, diva acts with splendour and style on stage, at the window or on the sofa. Strong Acoustic properties.

### “Lana highland”

Lana highland manufactured with wool regenerated to a level of 70% and Co<sup>2</sup> neutral. These curtain and upholstery fabrics make a core statement of sustainability. In fine-classical checks, plains, and wholehearted paisley and Norwegian patterns.

### ‘Vintage Style’

Fire-retardant leatherette for heavy duty seating and 3-D styles for seat backs and headboards. Stain resistant and IMO accredited.

Englisch Dekor’s range extends further to include many more fabrics including wide width, continuous, fire-retardant and sheers – please visit our website or get in touch or to learn more.

# INNOVASIA INC.

## USA

Headquartered in Denver, Colorado and with subsidiary companies in Japan, China, Hong Kong, Singapore, Thailand and Malaysia, Innovasia is a well-established company supplying commercial projects throughout South East Asia. Their product offering includes high performance fabrics for upholstery, acoustic walls, and a wide range of colours and patterns on fully customisable acoustic paneling.

Innovasia promises smart choices for design professionals and textile users. Whether for furniture, hotels, schools or offices, Innovasia's textiles perform to last. Innovasia serves designers, architects and end-users who dare to ask for great design, lasting quality, within realistic budgets and with materials for design impact on aesthetics, performance, and overall success.
